

Payment of First Pension and Old Age Savings by Bojonegoro Regent

Surabaya- Proactive service has been conducted in some regency/city government of East Java Province. In Bojonegoro Regency, such service has just been conducted by the symbolic giving of Old Age Savings and First Pension to 40 pensioners by Drs. Suyoto, MSi, Bojonegoro Regent witnessed by the Vice Regent and Head of BKD and Head of Taspen Surabaya H Nelson.

On his remark, Bojonegoro Regent expressed his appreciation for Taspen effort in developing service for the participants. “With this cooperation I hope the pensioner candidate can propose their rights easily,” he said.

Taspen proactive service is in accordance with Taspen vision and mission, Law No. 14 regarding Public Information Openness and Instruction of East Java Governor as stated on Local Regulation No. 11 of 2005 regarding Public Service in East Java. **[Hms tsp sbj]**
